Eureka Box Art! is now looking for businesses or individuals to sponsor utility box murals citywide. Below are some details about how to sponsor a box murals.

- \$500 per box
- City will administer a call-for-artists, development, preparation and installation of mural(s);
- City staff and Eureka's Arts & Culture Commission will select artwork and artist.
- Utility box artwork cannot be an advertisement for a business, however, the sponsoring business will receive credit in the title label at the base of the box, on the City's website for one year and will be thanked in a Press Release and in the City's newsletter.

By installing artwork on utility boxes in Eureka, we create a platform for storytelling and communication, transforming ugly, obtrusive utility boxes into vibrant art pieces and a topic of interest for the community.
